BASICS

by FORMANI

Simple and pure

As a comprehensive total concept, our BASICS collection brings together various designs that are suitable for any budget. The designs are as understated, simple and pure as they are luxurious, imparting an exquisite finishing touch to any interior and exterior design. We have developed this series because we would like to share our obsession with details with everyone, regardless of the budget.

Onze uitgebreide BASICS collectie bestaat uit verscheidene ontwerpen die geschikt zijn voor elk budget. De ontwerpen zijn zo ingetogen, eenvoudig en puur als ze luxe zijn. Hierdoor geven ze een uitstekende afwerking aan elk interieur en exterieur. Deze collectie is ontwikkeld omdat wij onze obsessie voor details met iedereen willen delen, ongeacht het budget.

In detail

Consistency across door components

In interior and architectural projects, detail plays an increasingly explicit role within the overall spatial composition. Hardware is not approached as a standalone element, but as part of the transition between spaces.

At this scale, micro luxury emerges when form, material and finish are consistently aligned. This precision is subtle rather than expressive, yet decisive. It introduces calmness, continuity and a natural sense of cohesion that is directly experienced.

In interieur- en architectuurprojecten speelt detail een steeds explicietere rol binnen de totale ruimtelijke samenhang. Beslag wordt daarbij niet gezien als een los element, maar als onderdeel van de overgang tussen ruimtes.

Juist op dat schaalniveau ontstaat micro-luxe, wanneer vorm, materiaal en afwerking consequent op elkaar zijn afgestemd. Deze precisie is nauwelijks opvallend, maar wel bepalend. Ze brengt rust, continuïteit en een vanzelfsprekende samenhang die direct wordt ervaren.
