# From the past to the future

Our BOSCO collection by Lázaro Rosa-Violán 'opens doors from the past that lead to the future'. This quote defines the design formula applied to the BOSCO collection; classic design with a functional, modern look. These door handles are in every respect inspired by the famous historic knives that combined traditional stainless steel with black handles and which were an integral part of households in Europe for decades. The shape of the design consists of a cylindrical form connected to the handle of the lever, where the stainless steel is still visible from the upper side.

Onze BOSCO collectie by Lázaro Rosa-Violán 'opent deuren uit het verleden die leiden naar de toekomst'. Deze quote omschrijft de designformule voor de BOSCO collectie; klassiek design in een functioneel, modern jasje. De deurkrukken zijn geheel geïnspireerd op de befaamde messen van weleer, die steevast roestvast staal combineerden met een zwart handvat en al decennialang een vertrouwd beeld vormen voor nagenoeg elk Westers huishouden. Het ontwerp bestaat uit een cilindrische vorm die verbonden is met het handvat, waarbij het roestvast staal nog zichtbaar is vanaf de bovenkant.

# by Lázaro Rosa-Violán

**“A door handle is what separates you and a room. Door handles open worlds. A handle is a medium, a first impression. It allows you to enter and leave.”**

## **Barcelona, Spain**

Design philosophy:  
“My philosophy has always been based on accessible design. The experience should be greater than the space and for everyone to participate in.”

in combination with LZWC50B brass unlacquered

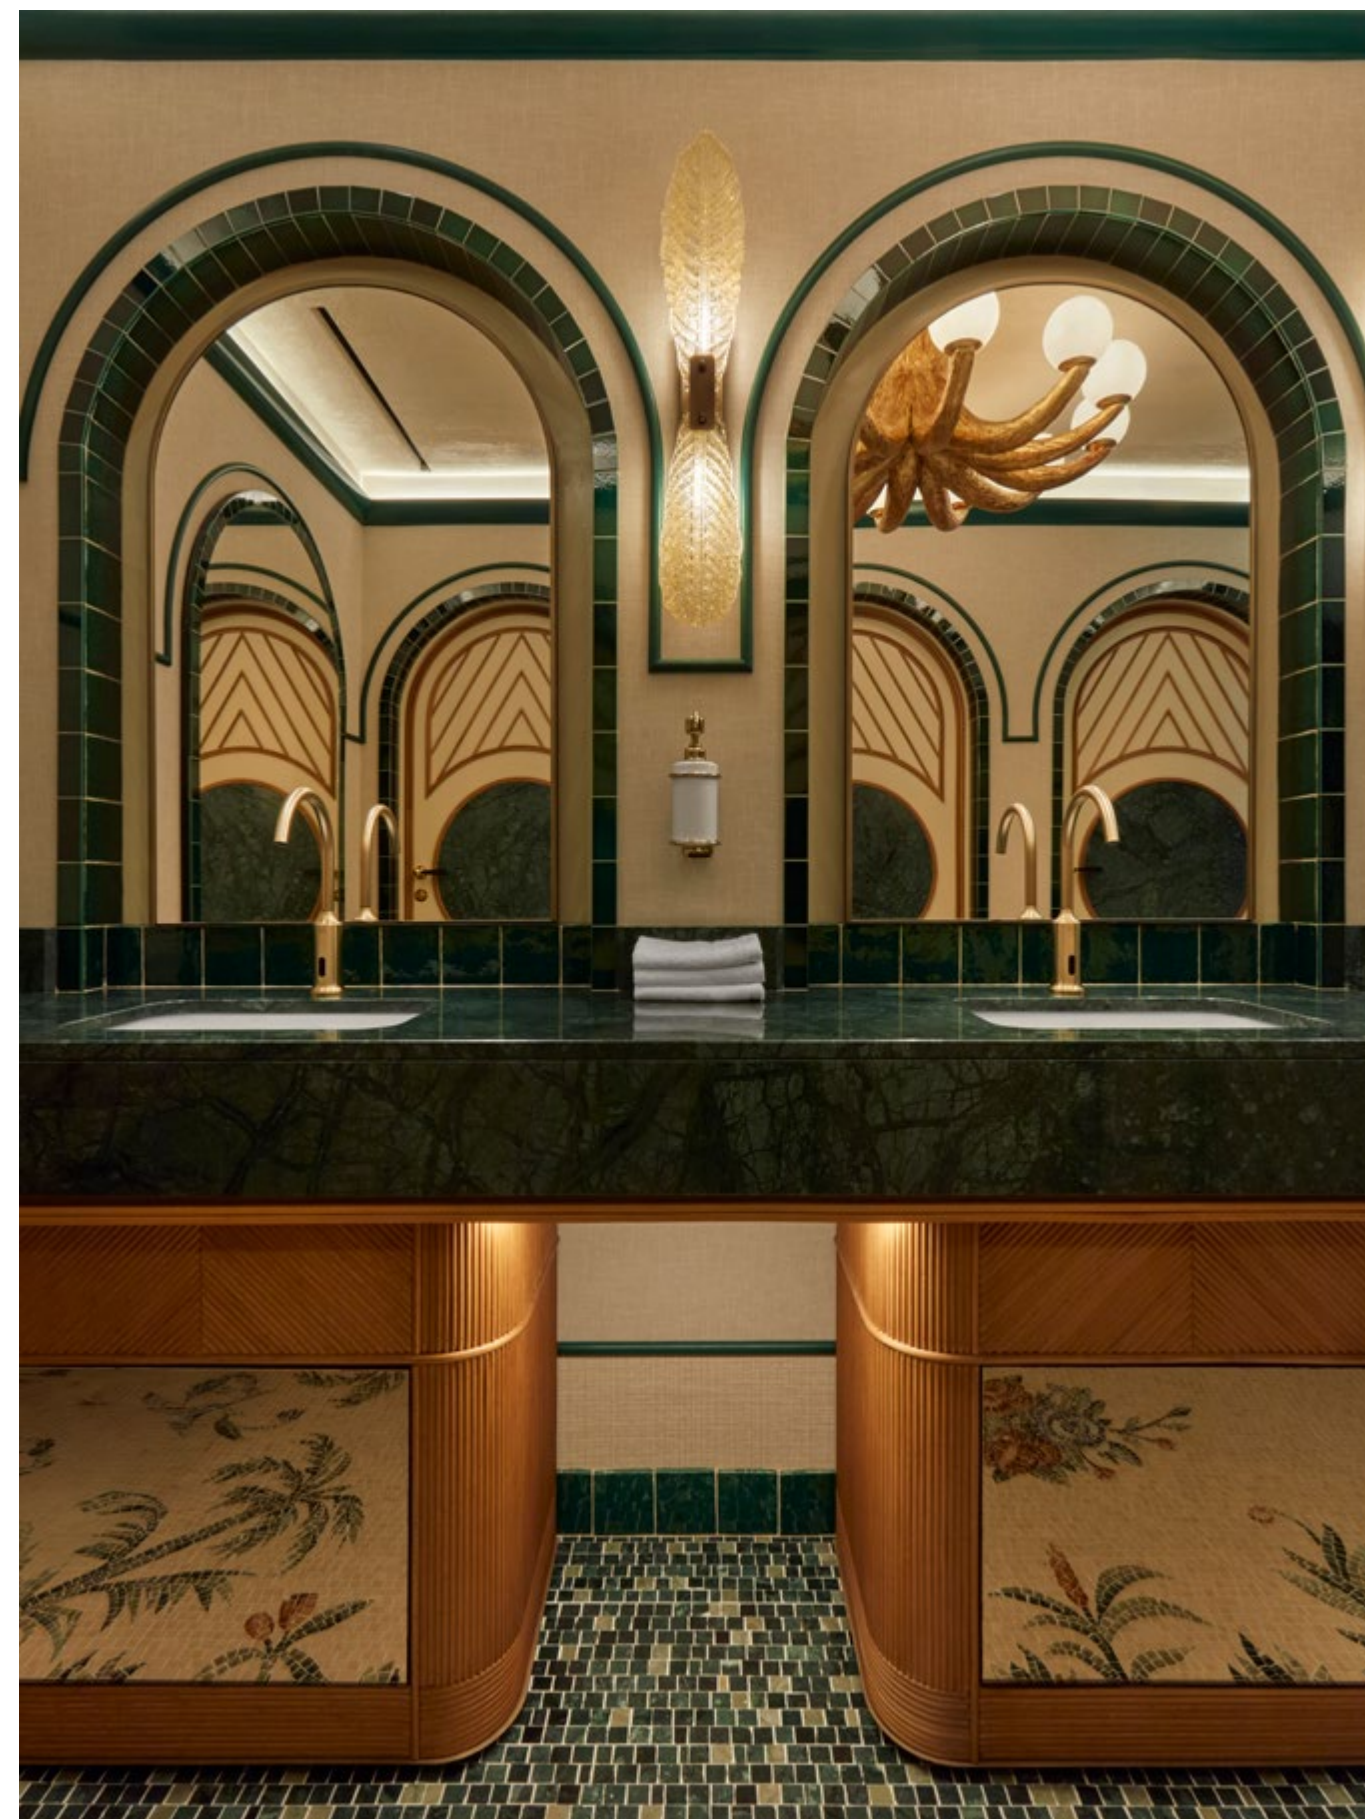

In the heart of Monte-Carlo, restaurant Amazónico combines tropical influences with a richly layered, immersive interior. Deep material tones, intricate textures and an expressive spatial rhythm create an atmosphere where hospitality and experience are inseparable.

The BOSCO collection by Lázaro Rosa-Violán brings a sculptural, tactile presence that supports the interior's layered materiality, adding rhythm and depth without competing with the space's bold identity.

In het hart van Monte-Carlo combineert restaurant Amazónico tropische invloeden met een gelaagd en meeslepend interieur. Diepe materiaaltinten, verfijnde texturen en een expressief ruimtelijk ritme zorgen voor een sfeer waarin gastvrijheid en beleving samenvallen.

De BOSCO-collectie van Lázaro Rosa-Violán voegt een sculpturale, tactiele aanwezigheid toe die de gelaagde materialiteit versterkt en ritme en diepte aanbrengt, zonder het uitgesproken karakter van het interieur te overheersen.
