Obsessed with Details — 2026 Collection

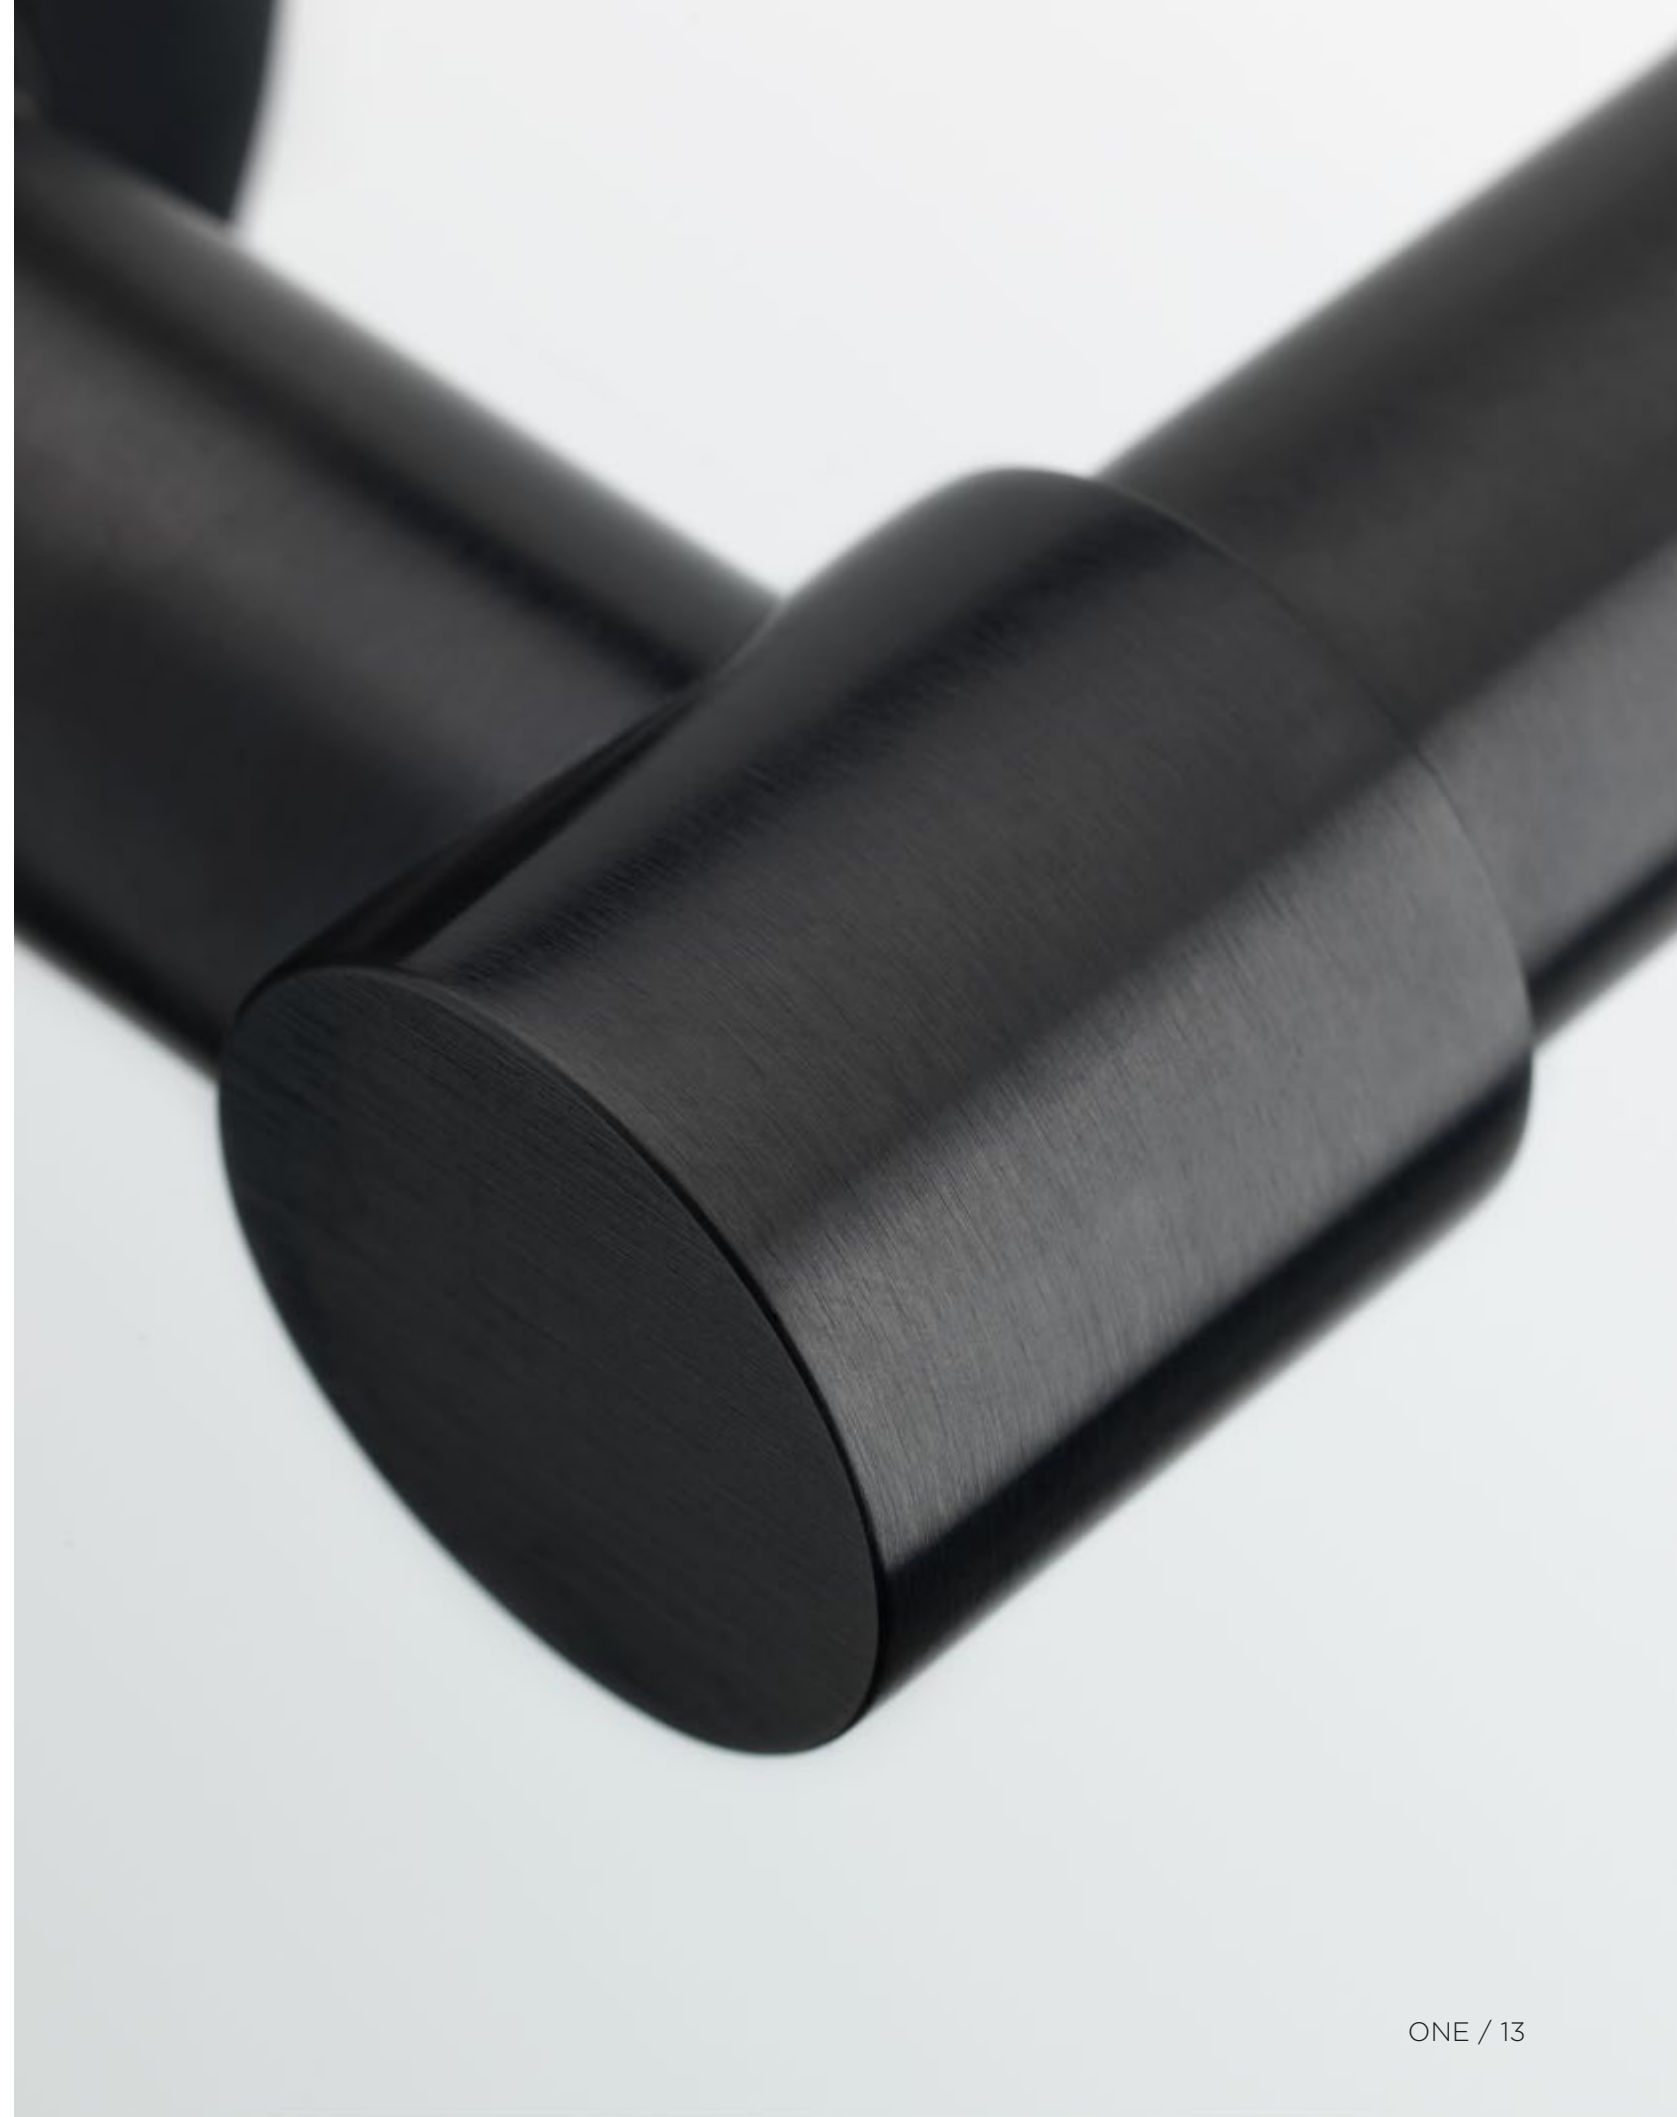

ONE

by Piet Boon

A true icon

Simplicity is the essence of the design of our iconic ONE collection by Piet Boon, with the cylindrical volume forming its core. The clean lines and high-quality finish embody beauty and refinement, forming a coherent, elegant whole. It's safe to say that the ONE collection has developed into a true icon in the world of door handles and interior design.

Eenvoud is de essentie van het ontwerp van onze iconische ONE collectie by Piet Boon. De cilindrische vorm vormt de basis van het ontwerp. De strakke lijnen en hoogwaardige afwerking benadrukken de schoonheid en verfijning en zorgen voor een samenhangend, elegant geheel. De ONE collectie heeft zich ontplooid tot een waar icoon binnen de wereld van deurbeslag en interieurontwerp.

by Piet Boon

“At Studio Piet Boon we believe that there is great beauty in simplicity. The simplest details leave a lasting impression. Therefore never underestimate the importance of door fittings.”

In detail

Total concept, one design language

Each collection is designed as a total concept, with a consistent design language and colour and finish palette applied across door, window and furniture hardware, complemented by matching accessories. The relationship between these elements creates a design that flows logically and consistently, allowing specification within a single line. The result is a calm, coherent whole, from entrance to detail.

Elke collectie is ontworpen als een totaalconcept, waarin vormtaal en kleur- en finishpalet consequent worden doorgevoerd in deur-, raam- en meubelbeslag, aangevuld met bijpassende accessoires. De samenhang tussen deze elementen zorgt voor een ontwerp dat logisch en consistent doorloopt, waardoor specificeren in één lijn mogelijk wordt. Zo blijft het geheel, van entree tot detail, rustig en coherent.

Byron Bay, Australia

Openness and rhythm

ONE reference: Bangalow Road House

Interior design: SON Studio

Photography: Rory Gardiner

Product: ONE PBT15/50 satin black

In this private residence in Byron Bay, architecture follows the easy rhythm of coastal life. Timber screens, open structures and layered transitions soften the boundary between inside and out, allowing light and air to move freely through the home. The interior feels open and relaxed yet carefully composed.

Within this calm architectural language, the ONE collection by Piet Boon becomes a natural extension of the design. Its restrained geometry and quiet presence support the flow of the interior, reinforcing a sense of balance without drawing attention to itself.

In deze privéwoning in Byron Bay volgt de architectuur het ontspannen ritme van het kustleven. Houten lamellen, open structuren en gelaagde overgangen verzachten de grens tussen binnen en buiten en laten licht en lucht vrij door de woning bewegen. Het interieur voelt open en ontspannen, maar tegelijkertijd zorgvuldig opgebouwd.

Binnen deze rustige vormtaal vormt de ONE-collectie van Piet Boon een vanzelfsprekend onderdeel van het geheel. De ingetogen geometrie en discrete aanwezigheid versterken de flow en balans van het interieur.

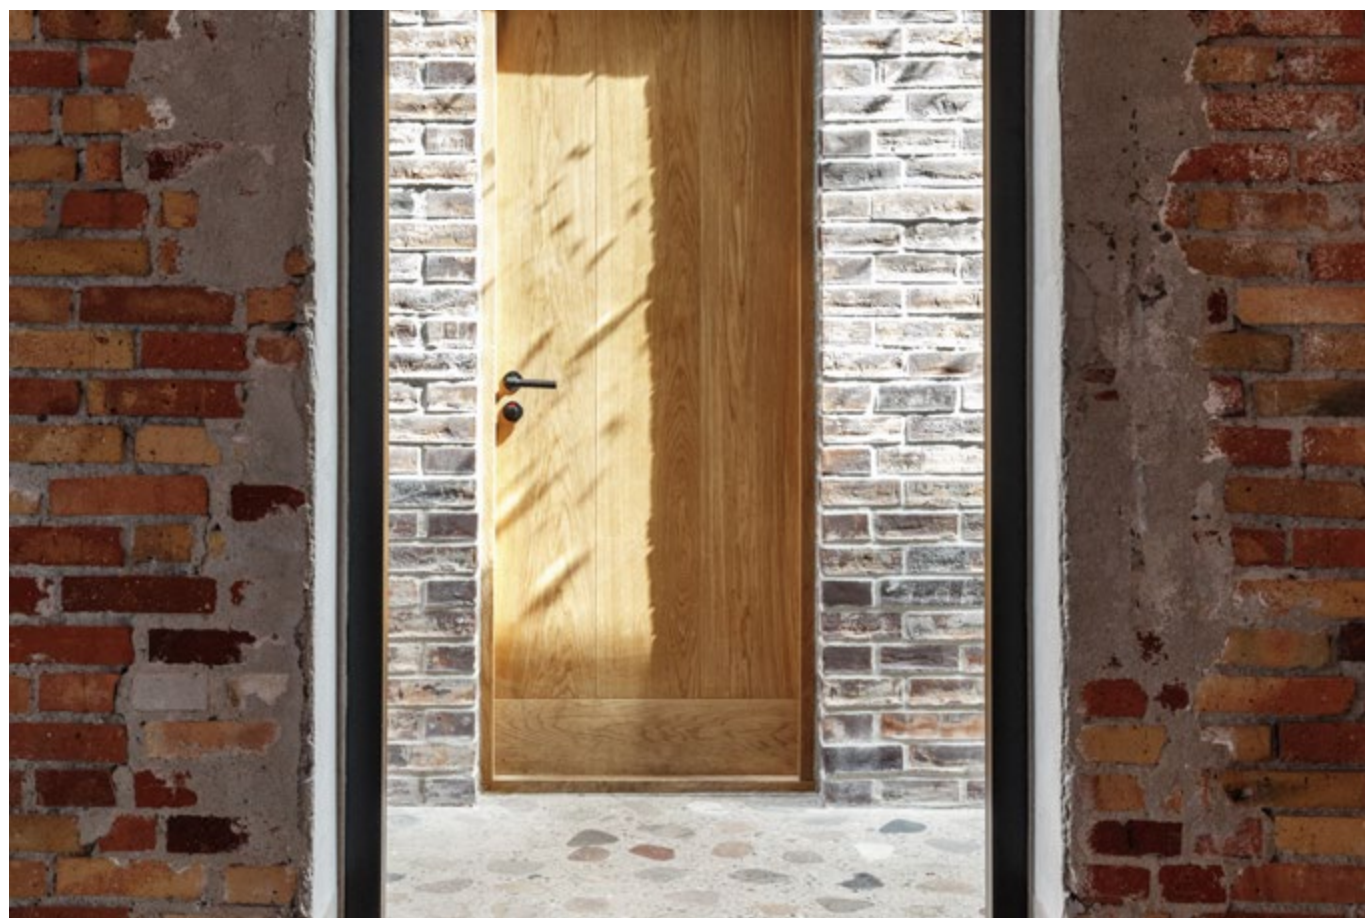

Copenhagen, Denmark

Honest materials, refined precision

ONE reference: restaurant Noma 2.0
Interior design: Studio David Thulstrup
Architecture: BIG-Bjarke Ingels Group
Photography: Rasmus Hjortshøj
Product: ONE PBL20XL/50 satin black

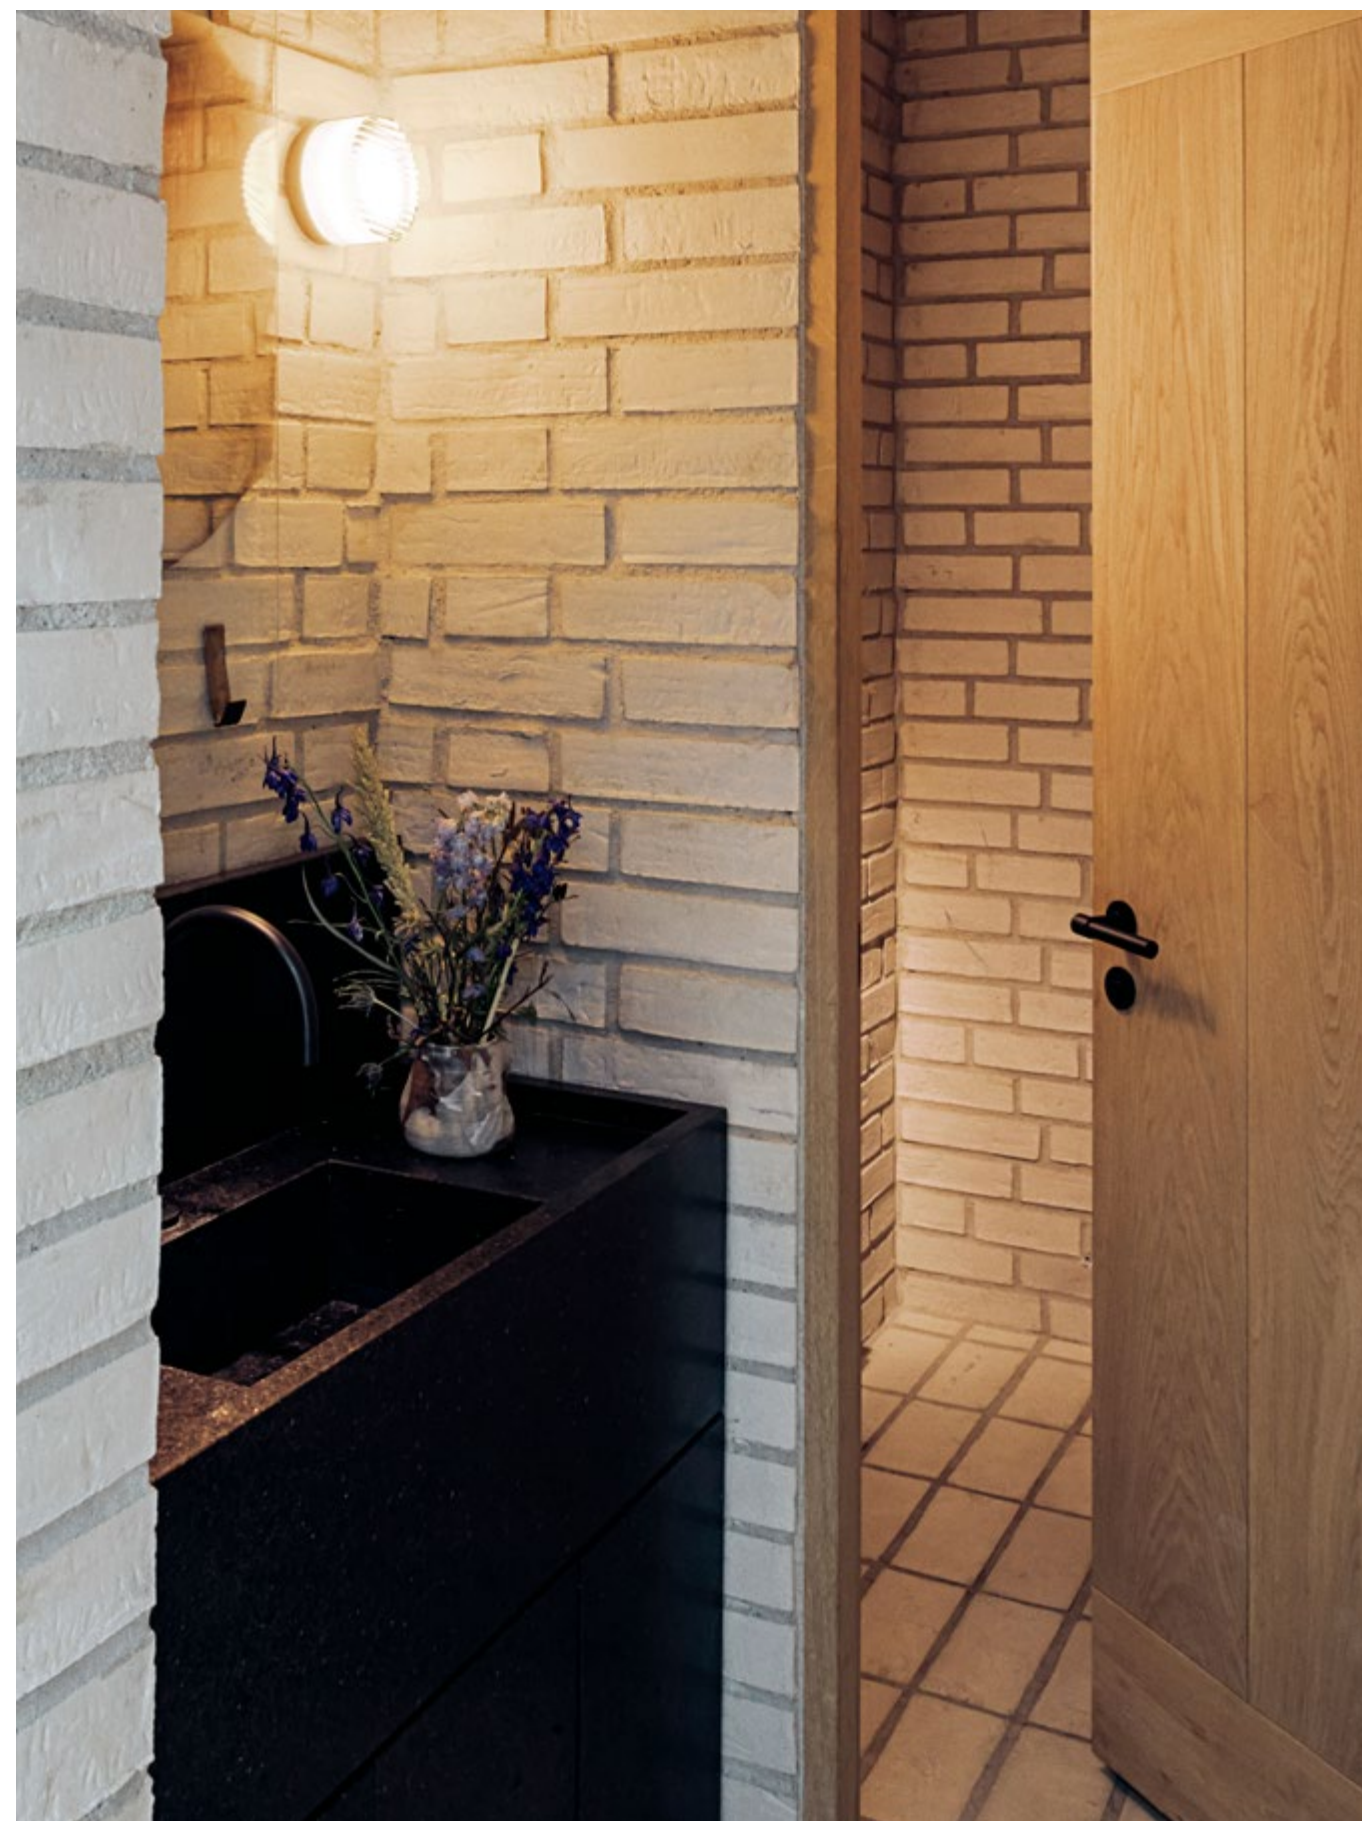

Following the success of the original Noma, chef René Redzepi opened Noma 2.0 in Copenhagen in 2018. Set within the architecture by Bjarke Ingels Group and an interior by Studio David Thulstrup, the restaurant expresses a restrained Scandinavian approach, defined by material honesty, precision and careful attention to detail. The result is an atmosphere that feels calm, clear and deliberately composed, without relying on familiar stylistic references.

Within this architectural setting, the ONE collection by Piet Boon integrates seamlessly into the space. Its clean lines and refined finish support the interior's calm character, reinforcing a consistent and coherent architectural language throughout the restaurant.

Na het succes van het oorspronkelijke Noma opende chef René Redzepi in 2018 Noma 2.0 in Kopenhagen. Binnen de architectuur van Bjarke Ingels Group en het interieurontwerp van Studio David Thulstrup krijgt het restaurant een ingetogen Scandinavische signatuur, gekenmerkt door materiaalzuiverheid, precisie en aandacht voor detail. Het resultaat is een heldere, zorgvuldig opgebouwde sfeer, zonder terug te vallen op bekende stijlreferenties.

Binnen deze architectonische context voegt de ONE-collectie van Piet Boon zich moeiteloos in het geheel. De strakke lijnen en verfijnde afwerking ondersteunen het rustige karakter van het interieur en dragen bij aan een consistente en samenhangende vormtaal door de gehele ruimte.

Quiet balance, expressed through proportion

ONE reference: Millbrook House

Interior design: Christian Anderson Architects

Photography: Simon Devitt

Product: ONE PB400 satin stainless steel (below),
PBT15/50 satin stainless steel (next page)

In Millbrook House in Queenstown, the architecture connects naturally with the surrounding landscape, expressed through a calm and refined elegance. Natural materials, warm textures, and generous volumes shape a serene atmosphere in which every element feels carefully considered.

Here, the ONE collection by Piet Boon integrates seamlessly into the architectural language of the home. Its balanced proportions and timeless simplicity support the clean lines of the interior, while the refined cylindrical form and subtle detailing complete the space with quiet confidence.

In Millbrook House in Queenstown sluit de architectuur op een vanzelfsprekende manier aan op het omliggende landschap, met een rustige en verfijnde uitstraling. Natuurlijke materialen, warme texturen en royale ruimtes bepalen een serene sfeer waarin elk element zorgvuldig is doordacht.

Daarbinnen voegt de ONE-collectie van Piet Boon zich moeiteloos in het architectonische geheel. De uitgebalanceerde proporties en tijdloze eenvoud ondersteunen de heldere lijnen van het interieur, terwijl de verfijnde cilindrische vorm en subtiële detaillering de ruimte op een rustige manier afronden.
