

SQUARE

by Jan des Bouvrie

Obsessed with Details — 2026 Collection

SQUARE

by Jan des Bouvrie

Clean lines

The SQUARE collection's minimalistic design is an eulogy to the perfection of square and rectangular shapes. While the series is simplistic, its finer details are what makes it truly unique. All the products have a bold and well-defined look, but their chamfered edges make them wonderfully tactile. Jan des Bouvrie, founding father of Dutch design, contributed to the series and imparted the final touches by adding clean lines to the SQUARE design, accentuating the major elements.

Jan des Bouvrie passed away on 4 October 2020 at the age of 78. It was an honour to work with Jan. His passing is a great loss to us, the design world, and everyone who loved him. A legend has left us, but his legacy remains intact and we will continue to work together with his Design Studio.

Het minimalistische design van onze SQUARE collectie is een loftuiting aan de perfectie van vierkante en rechthoekige vormen. Hoewel de collectie eenvoudig oogt, zijn er vele kleine details die het ontwerp bijzonder maken. Zo lijken alle producten scherp, maar zijn ze door het vakkundig afwerken van de randjes toch zacht genoeg voor de handen. Jan des Bouvrie, founding father of Dutch design, heeft bijgedragen aan deze collectie en gaf de laatste hand aan het ontwerp van SQUARE door strakke lijnen toe te voegen. Hierdoor worden de belangrijkste elementen geaccentueerd.

Op 4 oktober 2020 is Jan des Bouvrie op 78-jarige leeftijd overleden. Het was een eer om met Jan samen te werken. Zijn verlies is een groot gemis voor ons, de designscene en iedereen die hem lief had. Een legende heeft ons verlaten, maar zijn nalatenschap blijft intact. Net als onze samenwerking met zijn Design Studio.

by Jan des Bouvrie

“Open the door in style. We joined forces with FORMANI to create a doorware series that focuses on the essentials, creating a simple, sleek, and timeless design.”

Naarden, the Netherlands
(† October 4, 2020)

Design philosophy:
Symmetry, minimalism and functionality.

Designed for FORMANI:
SQUARE

The Gooi area, The Netherlands

Balance and geometry

SQUARE reference: private residence

Interior design: Jan des Bouvrie

Photography: Tijmen Ballieux

Product: SQUARE JB100 polished stainless steel (left, below),
SQUARE JB100 satin black (next page - left, next page - right)

In this private residence, a diverse collection of art and design objects is brought together through clarity and balance. Architectural symmetry and a controlled rhythm allow different expressions to coexist without overwhelming the space.

Door hardware from FORMANI was selected from the SQUARE collection. Its clean geometry supports the interior's structure and calm, acting as a quiet connector that helps the overall composition feel coherent.

In deze privéwoning komt een uiteenlopende verzameling kunst- en designobjecten samen in een interieur dat draait om rust en balans. Architectonische symmetrie en een beheerste opbouw zorgen ervoor dat verschillende elementen elkaar versterken zonder te domineren.

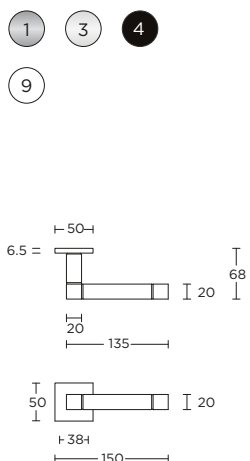

Voor het deurbeslag is gekozen voor FORMANI uit de SQUARE-collectie. De heldere geometrie ondersteunt de structuur en rust van het interieur en fungeert als een stille verbindende schakel die het geheel samenhang geeft.
